# Asylum and Refugee Advocacy: Prevention, Protection and Accountability

An extraordinary number of refugees and asylum seekers are torture survivors. CVT's clinicians work every day to help rebuild their lives, while our advocates fight to build just, compassionate, and humane policies toward vulnerable populations. Because of our work directly with survivors, CVT speaks with a powerful and distinct voice on refugee and asylum-related issues. Oftentimes, we do this work alongside an extraordinary set of partners, which include:

**Refugee Council USA** is a coalition dedicated to refugee protection, welcome, and excellence in the U.S. refugee Resettlement Program. **Website: [www.rcusa.org](http://www.rcusa.org)**

**Families Belong Together** includes nearly 250 organizations representing Americans from all backgrounds who have joined together to fight family separation and promote dignity, unity, and compassion for all children and families.

**Coalition to End Violence Against Women and Girls Globally** consists of more than 175 organizations whose combined expertise, experience, programmatic work, and collaboration with local activists make it a powerful resource and ally on issues related to the prevention of and response to violence against women and girls. **Website: [www.endgbvnow.org](http://www.endgbvnow.org)**
