

YOUR ROLE AS A VIRTUAL TABLE CAPTAIN

Do you envision a world where torture ceases to exist, and survivors have hope for a new life?

*Because you answered yes, you already are a great virtual table captain! YOU are vital to the success of The Center for Victims of Torture's 2021 **Restoring Hope Breakfast**.*

The event is on Thursday, October 7th. You can choose to attend at either 8:00 a.m. or 11:00 a.m. Central Time.

Reminders:

- *The event is free for you and your guests to attend.*
- *The 2021 event will be virtual. If it is safe to do so, we will explore small, in-person gathering opportunities for guests to view the event together in central geographic areas around the country. Details TBD.*
- *The event is a fundraiser.*

Your role is to invite your passionate friends, family, colleagues, neighbors, business associates, clients—anyone you can think of—to join you at your “virtual table” on October 7th. You do not have to ask them to make a contribution. Our job at CVT is to inspire you and your guests to understand the impact you can make in the life of a survivor of torture.

JOURNEY TO HOPE AND HEALING – HERE'S HOW!

Expand the CVT community

- There's no limit to how many people can attend at your virtual table.
- Invite as many people as you can think about who are important to you, and who you would be honored to have as your guests.
- Use the script (provided), or write your own, and personally invite them.
- When they say yes to being your guest, send them the welcome email (provided, but you can personalize it!) and register them online.

Rebuilding Lives Experiences

- Sign up (and invite your guests to join you) for one or more of the experiences, offered twice each month on Zoom, January-September.
- These short, 30-minute interactive virtual gatherings will give you a behind-the-scenes look at CVT's work worldwide — virtually visit CVT healing centers and see for yourself where healing happens.

Staying Connected is easy!

- After you register your guests, they will receive regular updates and inspiring mission moments from CVT.
- To ensure they're getting inspired and have all the important details, you can forward on the messages from CVT to your guests.
- **October 5:** Reach out to your guests to confirm their attendance and find out if they have any questions.
- **October 7** (after the Breakfast): Call your guests to thank them for attending the Breakfast.
